

# ON THE MOVE with ShCT eLearning

MOODLE MOBILE IS NOW AVAILABLE FOR  
DOWNLOAD USING iOS and ANDROID

**G**reat News! Students and teachers can now access their eLearning account by installing Moodle Mobile on their iOS and Android devices.

With Moodle Mobile, the official mobile app for Moodle, you can:

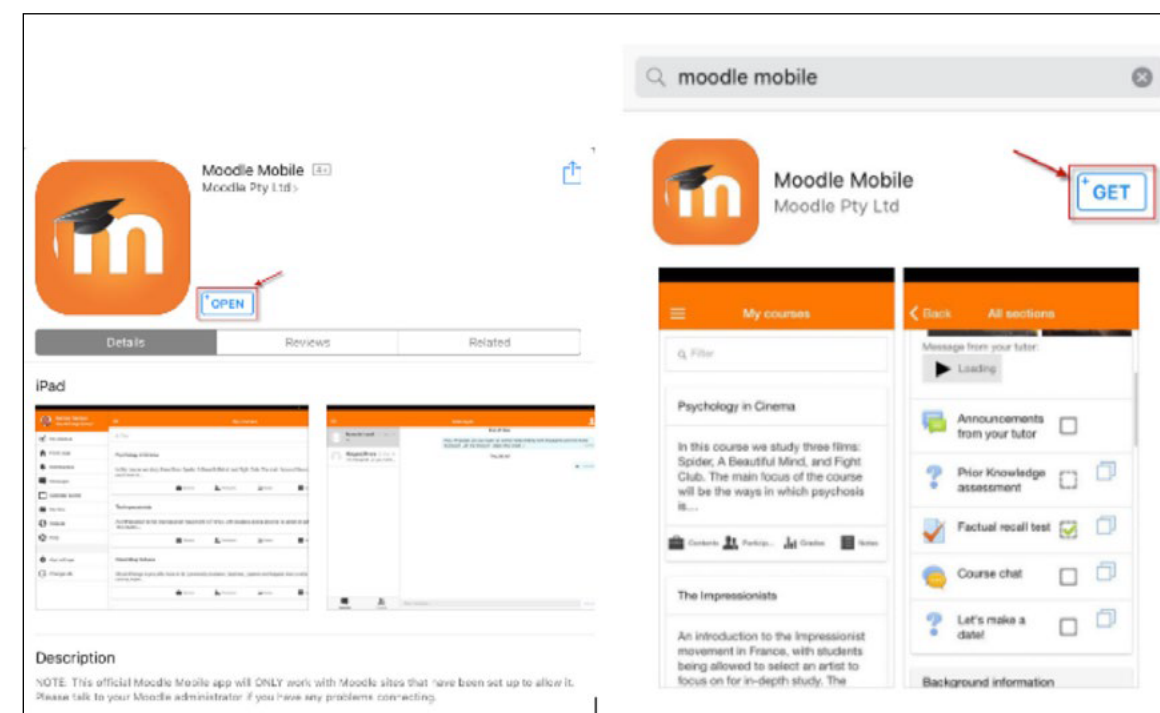

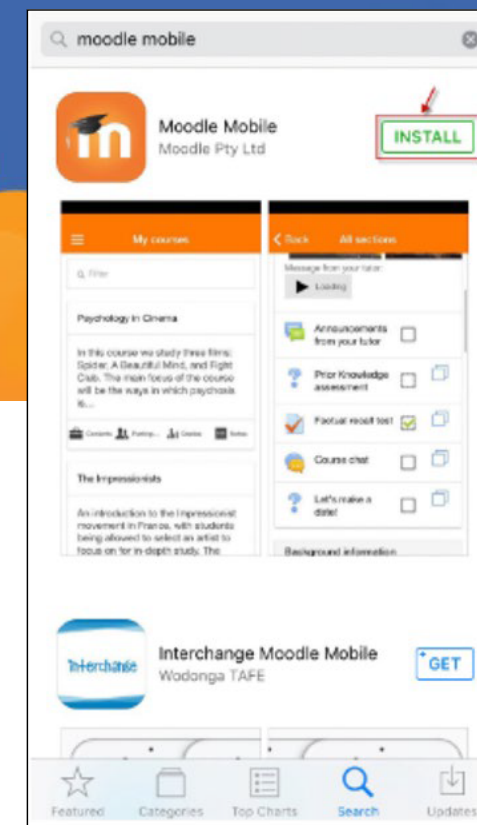

- Browse the content of your courses, even when offline.
- Receive instant notifications of messages and other events.

- Quickly find and contact other people doing the same courses.
- Upload images, audio, videos and other files from your mobile device.
- Track your progress, mark tasks as complete and browse your learning plans.

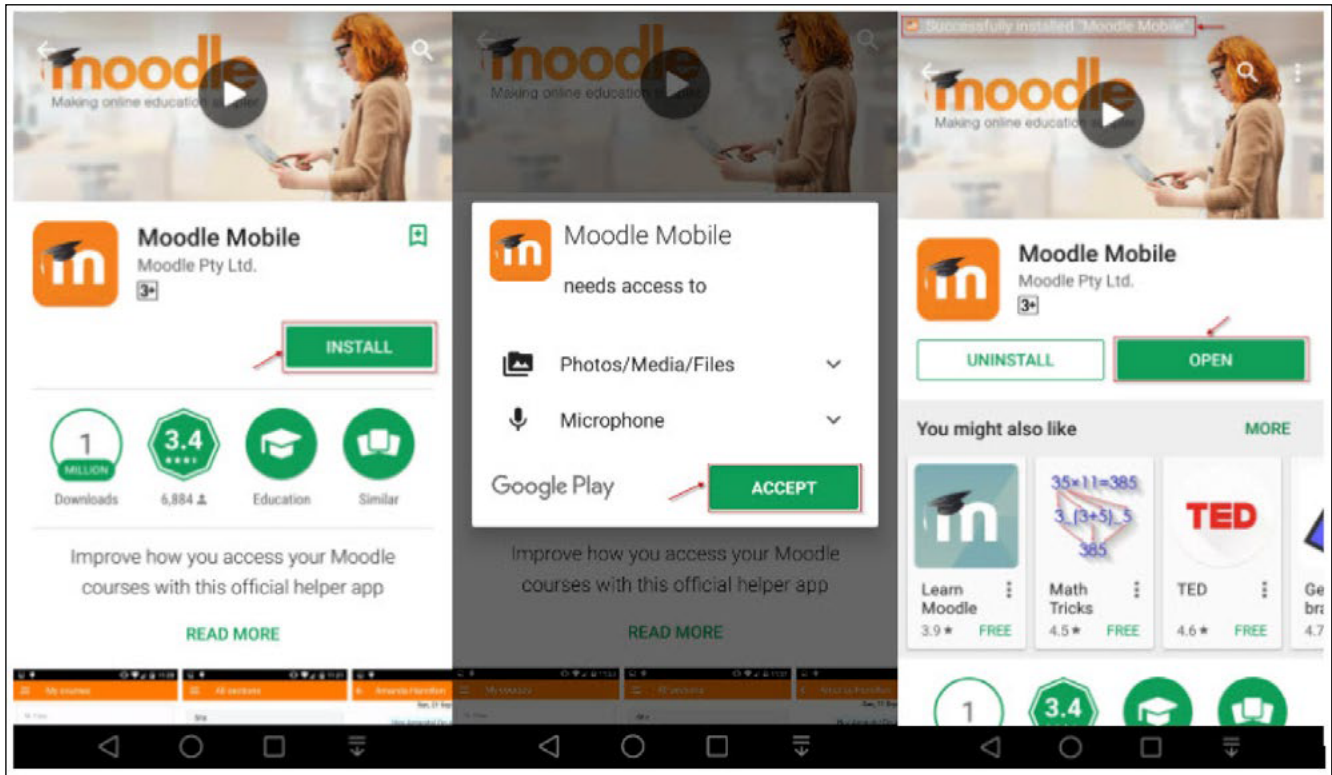

Bring out your smart phone and let's get started!

## 1. Installing the Moodle Mobile

For iOS Devices (Apple Smart devices) - Click the Appstore icon. Search for Moodle Mobile and Install it as shown in the images given below:

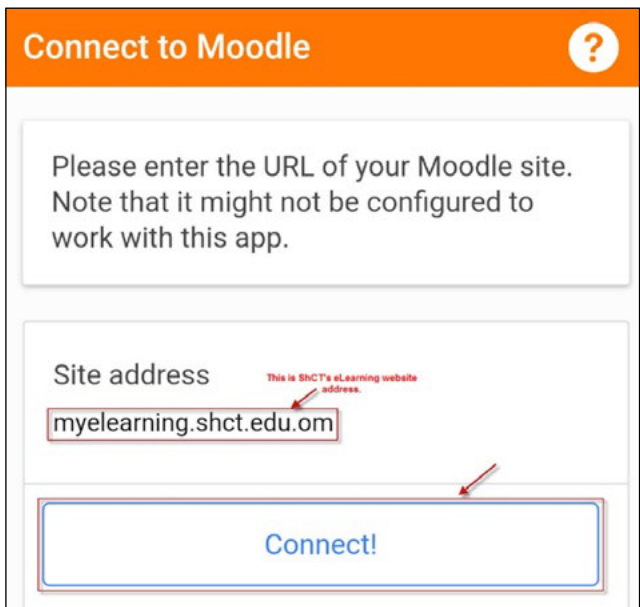

For Android Devices – Click Playstore icon. Search for Moodle Mobile and install it as shown in the images given below:

## 2. Connecting to Moodle

Type myelearning.shct.edu.om in the Site Address bar and then Connect!

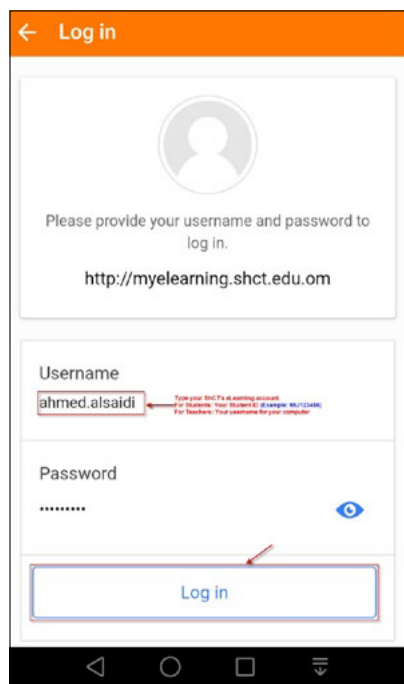

## 3. Logging in to Moodle Mobile.

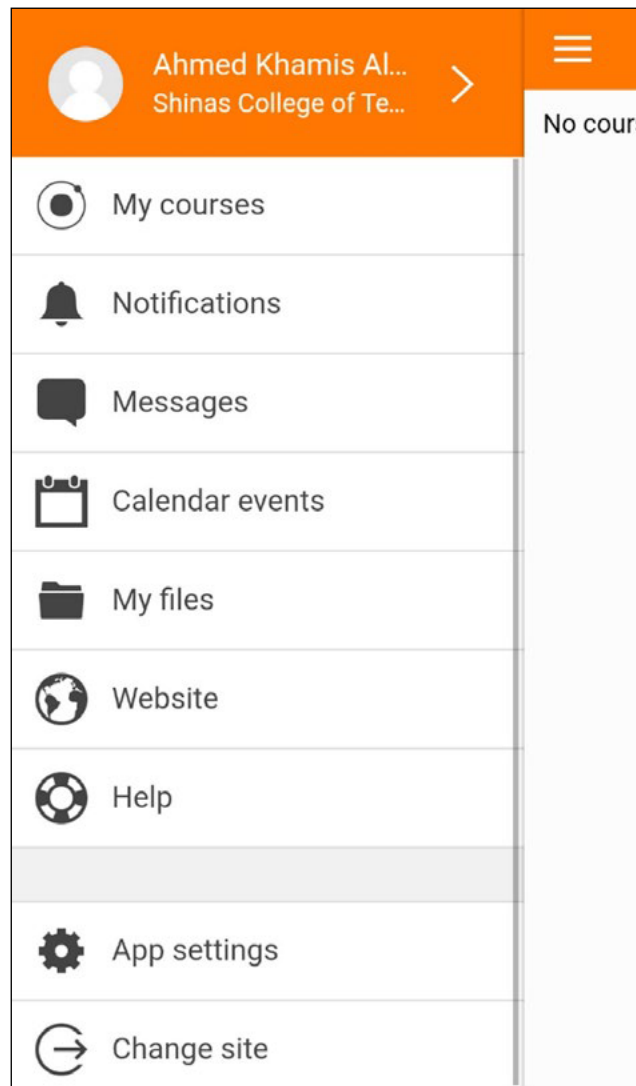

Type your ShCT's eLearning account.

**For Students:** Type your Student ID (Example: 66J123456) as your username and password you use to log into the college system.

**For Teachers:** The same Username and password that you use to log on to your ShCT computer.

## 4. Navigate to your eLearning account and access your files.

On Moodle Mobile there are a number of features that you will find useful including connectivity with your teachers and class/course mates.

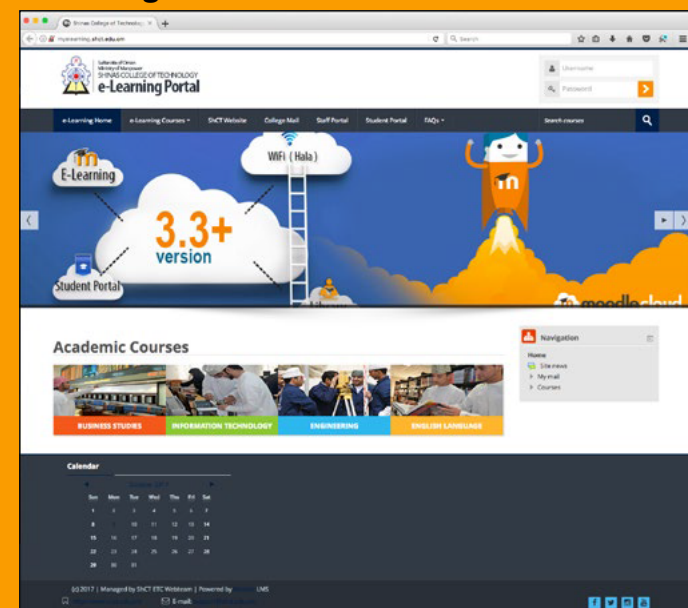

Don't forget to share with your classmates and teachers what you have learnt or discovered. Remember, sharing knowledge enriches everyone because the more you share, the more you learn.
