About INJAZ-OMAN:

INJAZ-Oman is a non-profit organization that was established in Oman in 2006 with a mission to inspire and prepare young people to succeed in a global economy. INJAZ-Oman works with students between the ages of 11-24 years through implementing programs in middle schools, high schools, vocational colleges and universities. Our various programs help prepare students for future success in Oman's private sector based on 3 core pillars:

Entrepreneurship

Work Readiness

Financial Literacy

Our Programs:

1) Innovation Camp (I-CAMP)

Language: Arabic/English

Program Duration: 1 Day (3 hours)

Students per Group: 100-80

This exciting one-day workshop challenges high students to find the most innovative solution to a business challenge through various exercises using critical thinking and problem solving skills. Innovation Camp gives students the opportunity to engage in exciting activities with mentors from the corporate world who will expand their horizons, introduce entrepreneurship and direct their thinking towards a professional future in a fun way.

2) Steer Your Career

Age Range: 18-24
Language: Arabic/English
Program Duration: 2 sessions (3 hours each)
Students per Group: 32

Steer Your Career is a program supported by J.P. Morgan Chase Foundation that targets university students aiming at teaching them the skills needed to find a job and operate effectively in a competitive job environment. The different sessions cover aspects of leadership, time management, communication, team dynamics, and job search skills. Through hands on classroom activities, personal assessments, role playing, and reflection exercises, Steer Your Career prepares students for succeeding in today's workplace. They will be able to develop job-hunting tools, such as networking, resume-writing, and interviewing skills. Students will be well equipped to identify the next steps needed in their personal career preparation. It is advisable to follow this program with a JA Job Shadow to ensure maximum impact.

3) Head Start:

Age Range: 18-24
Language: Arabic/English
Program Duration: 3 sessions (2 hours each)
Students per Group: 32

Head Start meets the needs of a diverse group of university students by providing engaging, academically enriching, and experiential learning sessions in work-readiness education and career perspectives.

The workshop-based program includes three volunteer-led sessions covering resume writing, the science and art of interviewing, and an introduction to internships (what they mean, how to be well prepared for a good internship, and how to handle work duties during an internship.)

4) JA Company Program:

Age Range: 18-24
Language: Arabic/English
Program Duration: 12 sessions (2 hours each)
Students per Group: 20

The classroom turns into a real start-up with the help of a mentor or an entrepreneur. Students come up with a business idea, study its feasibility, sell stocks to raise capital, divide into management teams, produce a business plan, produce and sell a product or service, then liquidate the company. It ends with an exciting national competition every year.

5) JA Job Shadow:

Age Range: 18-24
Language: Arabic/English
Program Duration: 1 site visit
Students per Group: 30

JA Job Shadow prepares students to be career oriented. Students will acquire and apply the skills needed in demanding and ever-changing workplaces.

Following participation in the program, students will be able to recognize career clusters and potential job positions and understand the importance of researching the requirements needed to earn a position.

They will be able to develop job-hunting tools, such as networking, resume-writing, and interviewing skills. Students will be well equipped to identify the next steps needed in their personal career preparation. It is advisable that this program is preceded by Steer Your Career or Head Start to ensure maximum impact.
